SUBJECT: SPAIN: NAM RESOLUTIONS ON LEBANESE CHILDREN  
UNBALANCED

REF: STATE 176793

(SBU) Poloff delivered reftel demarche to Cecilia Robles Cortes, MFA Director for Human Rights in International Organizations on October 25. Robles told Emboff that Spain agrees that the two NAM resolutions on the human rights of children in Lebanon are not balanced. She said that Spain is following the EU position of seeking to have the resolutions withdrawn on technical grounds. If this proves impossible, she said that Spain would enter into negotiations to improve the texts.
